

PURE
POTATO
PASSION

Modern family operated enterprise.

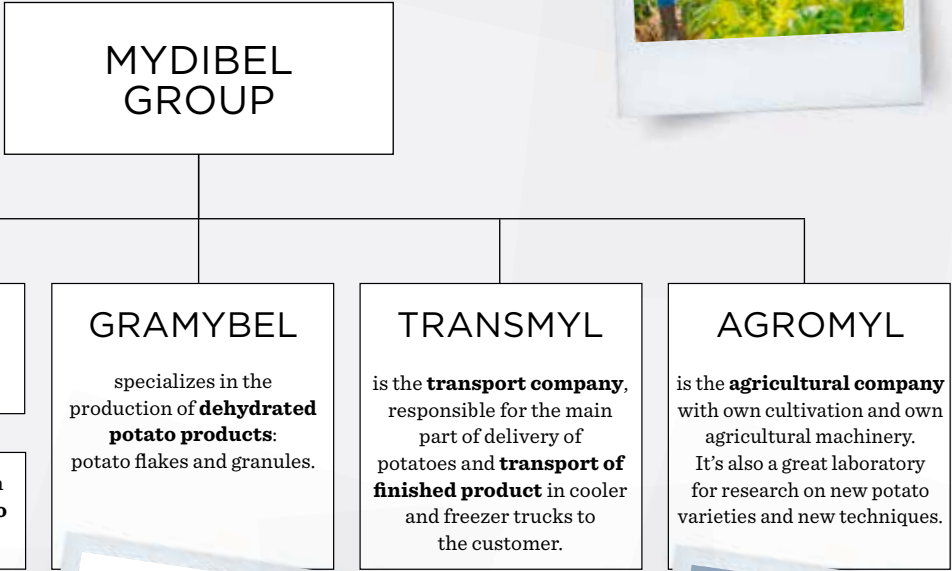

Located in the middle of the best potato region.

Craftmanship and knowhow throughout the entire chain, from cultivation and processing to transportation and commercialisation.

Wide range of fries, specialties and dehydrated potato products.

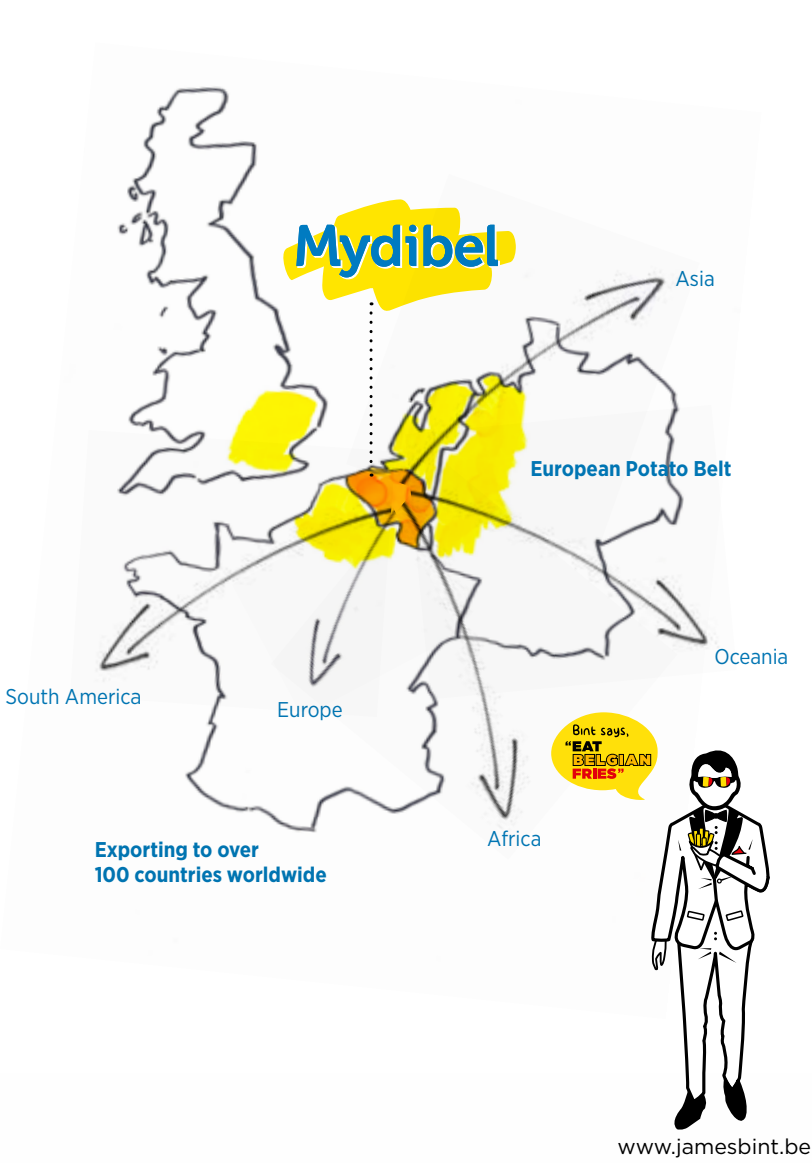

Thorough quality control and certificates.

Green Factory label: 100% green energy.

MYDIBEL,
IN THE MIDDLE
OF THE BEST
POTATO REGION

- 1. | Optimal climate as well as soil and growth conditions.
- 2. | Our farmers' rich potato tradition guarantees experience and craftsmanship.
- 3. | Many potato varieties, with a choice between early, half-late and late varieties.
- 4. | A lot of research, analyses, education and service provision within the potato sector.
- 5. | Exhaustive quality system with strict inspections according to the most stringent standards.
- 6. | Central location and many transport possibilities guarantee fast service and speedy delivery.
- 7. | 'Yellow flesh' potatoes are the best culinary choice for fries, with regard to taste and colour.
